Professional Profile

Grant specializes in working with closely-held business clients in a variety of industries, including manufacturing, wholesale and distribution, construction, education and service organizations and non-profit entities. Manufacturing business clients include metal and fiberglass fabrication, product assembly and casting, and plastic injection molding companies.

His areas of expertise are accounting, auditing, financial management, employee benefit plans, and general business consulting. Grant has extensive experience in mergers and acquisitions and has assisted both buyer and seller clients. He helps clients manage corporate tax, operational, strategic, and stockholder issues.

Grant is Vice President and Treasurer for Perkins & Co and has excellent relationships and reputation with regional bankers and other key vendors. He has management responsibility for the firm's technology initiatives and oversees the planning and implementation of systems, hardware, and software for the firm.

Grant serves on the Boards of Directors for The Classroom Law Project and Ronald McDonald House Charity, and he is a member and past chairman of the Board of Trustees for the First United Methodist Church of Portland.
